

CrystaX NDK - Bug #1128

pthread_sigmask() is not accessible from signal.h

11/09/2015 07:59 PM - Dmitry Moskalchuk

Status:	Closed	Start date:	11/09/2015
Priority:	High	Due date:	
Assignee:	Dmitry Moskalchuk	% Done:	100%

Target version:	10.3.0	Android version:	
CPU Architecture:		CrystaX Version:	
Host OS:			
Toolchain:			

Description

According to POSIX, pthread_sigmask() must be accessible by including signal.h; in NDK, it's not.

History

#1 - 11/09/2015 08:00 PM - Dmitry Moskalchuk

"Here": https://github.com/crystax/android-vendor-openpts/blob/master/conformance/interfaces/pthread_sigmask/15-1.c is corresponding test case

#2 - 11/15/2015 03:11 AM - Dmitry Moskalchuk

- Status changed from Open to In Progress

- Priority changed from Normal to High

#3 - 11/15/2015 04:11 AM - Dmitry Moskalchuk

- Status changed from In Progress to Closed

- % Done changed from 0 to 100
